Invitation to Bid – Water Main Installation Project

The **Town of Lonaconing, MD** is soliciting **sealed bids** from qualified contractors for the installation of approximately **4,300 linear feet (LF) of 8-inch C-900 water main** along MD Route 36 between the **Lower Georges Creek Road / Quinn Street Intersection** and the **Broadway Street Parking Lot**.

Project Description

The proposed work includes, but is not limited to:

- Installation of **4,300 LF of 8” C-900 water main** beginning at the Quinn Street Intersection and proceeding along the **right shoulder of Route 36**.
- **Open-cut installation** at **Buskirk Hollow Road** to cross the roadway.
- **Two trenchless bores:**
 - One beneath **Elklick Run**.
 - One beneath **Route 36** immediately following the stream crossing.
- Continued installation along the Route 36 shoulder to **Kenner Lane**.
- Due to steep slopes and guardrail constraints, approximately **1,800 LF** of water main will be installed **within the shoulder itself** from Kenner Lane to the Broadway Street parking lot.
- **Abandonment in place** of the existing **8-inch ductile iron (D.I.) water main**.
- Replacement of approximately **19–23 water service connections**.
- Contractor must provide Construction Inspector
- Engineering services for this project must be provided by a Maryland-licensed Professional Engineer, and all design documents shall be submitted with the engineer's seal and certification

Bid Requirements

- Proof of qualifications and relevant experience with municipal water main installation.
- Evidence of insurance and bonding capacity.
- Proposed project schedule.
